

The Howard Brown Endowment Fund at The Community Foundation supports the work of Futures Unlimited School through investment earnings from funds donated in honor of the school's founder, Howard Brown.

Each student in this 2004 graduation photo has been successful in completing high school work at Futures Unlimited after having been at risk of failing or leaving high school before degree completion at his or her home high school.

To contribute to this or any fund held within The Community Foundation, mail your donation indicating the purpose of your gift to The Community Foundation, address below.
