

MERIDIAN HIGH SCHOOL

**JEISY MATHEMATICS SCHOLARSHIP APPLICATION**

A. Stipulations and Provisions

1. The applicant must have taken four high school math classes or currently be enrolled in their fourth class.
2. The applicant should intend to enroll in a four-year math-related program at the university level at some point in his/her education.
3. The applicant is to understand that the scholarship money will be paid upon the start of the second semester of the freshman year when proof of enrollment is provided to the high school guidance counselor.

B. Please type.

C. Attach the following:

1. high school transcript (see Guidance Office),
2. two character reference letters (none from relatives, at least one from a teacher),
3. an essay (300-500 words) addressing topics such as why you plan to attend college, what you intend to gain from a college education, why you will be a successful college student, why you enjoy mathematics, and/or other pertinent information about yourself.

D. Submit this application with the requested attachments to the Meridian High School Guidance Office by **May 1, 2009**.
