Quality & Supportive Education>>>

Did you know that there are many programs and agencies that support academic success in Macon County?

Did you know>>>?

- > **635 elementary students were provided free tutoring** by certified teachers through the Project Success Right Track program?
- > Many churches throughout the city have partnered with schools to **form the “one-school-one-church” alliance in support of education**, and they provide help in tutoring? One successful program is “Club 305” sponsored by First Christian Church.
- > **100 children were provided before and after school care focusing on academic success** and character development through the YMCA’s School Age Care Program?
- > **233 youth were served with tutoring, homework help, scouting and leadership activities** through the Boys and Girls Club?
- > The United Way of Decatur & Mid-Illinois supports educational programs locally that work to help increase the graduation rate. Over the last 4 years they have **invested almost 2.9 million community dollars to programs that focus on the key components of success in school!**
